**PAY TRAFFIC TICKETS ONLINE FOR  
INDEPENDENCE COUNTY DISTRICT COURT**

On December 1, 2010, the Independence County District Court became the fourth court in the state to take online traffic ticket payments through the ACS Contexte case management system provided to the court by the Administrative Office of the Courts. The public may pay traffic tickets online for district court cases by visiting Arkansas Online Citation Payment at <http://pay.courts.arkansas.gov>. No longer will recipients of routine traffic tickets have to mail checks to the court. Instead, with the citation number and last name, the public can make payments online through the ACS eTraffic module on the website.

The Administrative Office of the Courts is working with the Information Network of Arkansas (INA), the agency responsible for government websites, to process the payments through the State's payment portal. Paying a traffic ticket could not be easier. When you visit the site, you select the court where you have the ticket; enter the citation number and your last name; and then enter credit card information to pay the citation. INA will assess a \$5.95 portal processing fee for online payments. The website will accept payment by Visa, MasterCard and Discover credit cards.

Since its inception in 2002, the ultimate goal of the automation project is to provide statewide case management to all Arkansas courts. With the case management system in place, participating courts are able to provide complete, accurate and timely court information to the public and judicial agencies, and now the courts can continue to improve public service by providing the option of online traffic ticket payment through Arkansas Online Citation Payment at <http://pay.courts.arkansas.gov>.
